ST. REGIS RITUALS

CHAMPAGNE SABERING

The Art of Sabrage has an illustrious history that stretches back more than two centuries. The practice is most commonly associated with Napoleon Bonaparte, who famously opened champagne with his saber, savoring it in victory and defeat.

The tradition continued in Europe, eventually becoming popular around the world. Now carried out flawlessly at many St. Regis hotels and resorts around the world, the brand continues to saber champagne in homage to Napoleon and the tradition he began over 200 years ago.

*Celebrate the Arrival of the Weekend at the St. Regis San Francisco
When We Saber in the Hotel Lobby
Every Thursday, Friday & Saturday at Dusk.*

Please Inquire with Staff for Exact Time.

AFTERNOON TEA

Anna, Duchess of Bedford, created the Afternoon Tea in the 19th century in England as a small meal between lunch and a late dinner. In the latter part of this era, the tradition would be adopted by Caroline Astor, New York's Grand Dame, to entertain her closest friends at the iconic St. Regis New York.

At the St. Regis San Francisco, we value this tradition and invite you to experience our distinct, modern, and innovative interpretation of this legacy with locally sourced fare and teas from around the world.

*We are Serving Afternoon Tea with
a Modern Twist Every Day from
2pm to 4pm in the Hotel Lobby Lounge.
